We **supply, install & service** our ever growing network of machines **across the country**.

Whether you're a dog owner looking to keep your home clean or a business looking to learn how to create a new revenue stream and enhance your onsite offering

**The Dog Wash Company has you covered.**

Price per unit:

**£14,750 plus VAT**

Covered from as little as one dog wash per day\*

## Benefits to Businesses:

### Increased Revenue

#### Recurring Customers

Many pet owners will become repeat customers, especially with convenient access.

#### New Revenue Stream

Self-service dog washes offer a reliable and steady source of additional income for your existing business.

### Enhanced Customer Satisfaction

#### Convenience for Pet Owners

Provides a valuable service that caters to busy pet parents who appreciate a quick and easy way to keep their dogs clean.

#### Increased Foot Traffic

Attracts new customers to your business who may also utilise other services you offer.

#### Positive Brand Image

Shows that you care about the well-being of pets and the needs of pet owners in your community.

### National Marketing Exposure

#### All Part of the Package

Our monthly national marketing budget exposure for both your business and dog wash station.

### Additional Advantages

#### Minimal Space Requirements

Our machines can be installed in a variety of locations, even within existing businesses.

#### Complementary Business

Can be a perfect addition to pet stores, pet groomers, country parks, outdoor spaces or any business catering to pets.

### Low Maintenance & Operation

#### Easy to Set Up and Maintain

Self-service dog wash systems are simple to install and require minimal ongoing maintenance.

#### Flexible Operation

Self-service washes operate with no staffing needs, reducing labour costs and maximising profitability.

#### Open Late with Self-Service

Allows customers to use the wash at their convenience, even outside of your regular business hours.

By installing a self-service dog wash, businesses can create a win-win situation: generating new income, attracting new customers, and providing a convenient service to pet owners in the community.

## Consumer benefits:

### Cleanliness & Comfort

#### Ditch the mess

Avoid muddy paw prints and wet fur in your bathroom. Let the self-service wash handle the dirty work.

#### All-inclusive stations

No need to purchase special shampoos, conditioners, or towels. Everything you need is provided.

#### Spacious stations

Plenty of room to manoeuvre your dog and keep them comfortable during the wash.

#### High-pressure washers

Blast away dirt, grime, and even thick undercoat with ease.

#### Affordable washes

Self-service washes are cheaper than professional grooming services.

### Convenience

#### Skip The Appointment

No need to schedule a time slot or wait around at a groomer's. Wash your dog on your own schedule.

#### Fast & Efficient

Get your pup clean in under 10 minutes, perfect for busy pet parents.

#### Open Late

Many self-service washes offer extended hours, allowing you to bathe your dog after work or on weekends.
